# UCLA WEB ACCESSIBILITY INITIATIVE

## TIER 1

### UWAI PROGRAM FOR 37 SPECIFIC STUDENT & PROSPECTIVE STUDENT WEBSITES

**1** Web Accessibility Kick-Off Meeting

**2** UWAI Writes Accessibility Assessment Report

Manual and automated scanning

**3** Meet with Unit to Discuss Report

**4** Agree on Corrective Action Plan

**5** Bootcamp

UWAI student workers remediate documents and UWAI developers assist unit developers with remediation

**6** Progress Report Session

Certify that bootcamp process is complete and that goal of 80% in Siteimprove is met

## TIER 2

### UWAI CAMPAIGN FOR LAUNCHING ACCESSIBLE WEBSITES

**Launch Campus Accessibility Awareness Campaign**

Partnering with Strategic Communications

**Vet & Implement New Accessibility Policy**

**Launch New Process for Accessibility Review**

For new and re-launched websites based upon the new accessibility policy

**Develop Two Accessible CMS Templates**

One Drupal and one WordPress

**Create Set of Technical Guides for Accessible Web Functions**

Navigation, calendar, video, animation

**Develop a Vetted List of Approved 3rd Party Web Vendors**

With Purchasing, likely an annual RFP

## TIER 3

### UWAI PROGRAM FOR CAMPUS WEBSITES

**1** Website is Setup in Siteimprove & Homepage is Manually Scanned

Deliver weekly automated reports

**2** Meet to Discuss Report

Priority checklist

**3** Invited to Training

Online or in-person

**4** Site Owners Work to Remediate their Own Site

**5** Meet to Discuss Annual Progress Report
